

Covid Risk Control Film Nights

What you must do

For everyone's protection, if you haven't been **double-vaccinated** you will need to have a negative **Lateral Flow Test** result. Call 02922 644137 and we will deliver a simple test kit to your home or take one at the village hall on entry (arrive 15 minutes in advance).

Complete the Track and Trace form below for yourself or your group and bring it along (or copies available on the night). The information will be taken on trust. Proof will not be required.

DO NOT ATTEND if you have symptoms (temperature, persistent cough, loss of smell or taste)

Sanitise your hands on entry. Bring your own sanitiser if you can.

Wear a mask. If seated at a table where drinks are provided you can choose to remove it..

Minimise face to face conversations and respect social distancing where possible.

Families or close friends can sit as a group around a table. Others should chose forward facing spaced seats.

Only use the toilets when there is at most one person already inside.

Name(s):	<input type="text"/>	Tick as appropriate:	<input type="checkbox"/> I/we have been double-vaccinated
Phone:	<input type="text"/>		<u>OR</u>
Signed:	<input type="text"/>		<input type="checkbox"/> I/we have had a negative Lateral Flow Test in the last 48 hrs
			AND
			<input type="checkbox"/> I/we have no symptoms of <u>Covid</u>
